Experience

January 2023 - April 2022

Geoinnovative Specialist Inc | Geoinnovative Compound, Antipolo City
Intern / Site Supervisor

We prepare work schedules, mobilization, and track worker activities. We establish safety protocols for all personnel, including subcontractors. We weekly safety meetings, and conduct inspections of equipment, work areas, and work methods.

July 2022 - October 2022

AVM Engineering | 23 Col Divino St., Marikina City
Intern / Laboratory Technician

As a laboratory technician, I am gaining valuable experience in conducting scientific experiments, following protocols, and operating equipment. With meticulous attention to detail, I assist in data collection and analysis, while prioritizing safety and collaborating with a diverse team of researchers.

Education

2020 - 2023

2 J. Chanyungco St., Marikina City
Marikina Polytechnic College
BIT - Bachelor of Industrial Technology

2018 - 2020

Abad Santos St., San Roque, Marikina City
San Roque National High School
TVL / ICT - Information Computer Technology
